CHARACTERISTIC OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

A notice for convening the AGM is also set out in this circular and a form of proxy is included for your further action.

1. GENERAL MANDATES TO ISSUE AND TO REPURCHASE SHARES

At the annual general meeting of the Company held on 4 August 2005, an ordinary resolution was passed by the Shareholders granting the general unconditional mandates to the Directors to issue and to repurchase Shares. Such mandates were refreshed at an extraordinary general meeting of the Company held on 24 April 2006. These refreshed general mandates will lapse at (i) the conclusion of the AGM; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first. Resolutions will therefore be proposed at the AGM to renew the grant of these general mandates.

An ordinary resolution will be proposed at the AGM in relation to the granting of a general unconditional mandate to the Directors to issue new shares in the Company, not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the resolution (as adjusted in accordance with the resolution), for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first (the “**Issue Mandate**”).

An ordinary resolution will be proposed at the AGM in relation to the granting of a general unconditional mandate to the Directors to exercise all powers of the Company to repurchase Shares on GEM up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the resolution, for the period until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) when revoked or varied by an ordinary resolution of the Shareholders in general meeting, whichever occurs first (the “**Repurchase Mandate**”). An explanatory statement required under Rule 13.08 of the GEM Listing Rules to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate is set out in Appendix I to this circular.

LETTER FROM THE BOARD

An ordinary resolution will be proposed at the AGM in relation to the extension of the general unconditional mandate to be granted to the Directors to issue new shares in the Company under the Issue Mandate by adding to it the number of shares of the Company repurchased under the Repurchase Mandate, if any. The Directors and the Company have no present intention to fully exercise the Issue Mandate or the Repurchase Mandate for issuing and repurchasing the Shares respectively.

The full text of these resolutions are set out as ordinary resolutions numbers 4A to 4C in the notice of AGM on pages 18 to 26 of this circular.

2. PROPOSED RE-ELECTION OF DIRECTORS

In accordance with Article 95 of the Articles of Association, Mr. He Chenguang, Mr. Xiao Haiping and Mr. Zhang Peng, being Directors appointed by the Board to fill a casual vacancy or as an addition to the Board, shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election at that meeting. Accordingly, they shall retire at the forthcoming AGM and, being eligible, they offer themselves for re-election at the AGM.

In accordance with Article 112 of the Articles of Association, one-third of the Directors shall retire from office by rotation. Accordingly, Mr. Choo Kwok How and Ms. Guo Qi shall retire at the AGM and, being eligible, offer themselves for re-election at the AGM.

Details of the above Directors who offer themselves for re-election at the AGM are set out in Appendix II to this circular.

3. PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

The GEM Listing Rules have been amended by the Stock Exchange by inserting an Appendix 15 of Code on Corporate Governance Practices (the “CG Code”) and adding an Appendix 16 on the requirements for a Corporate Governance Report to be included in annual reports of listed issuers with effect from 1 January 2005.

The Directors therefore propose to put forward to the Shareholders for approval of a special resolution to amend the Articles of Association at the AGM. The amendments are made to bring the current Articles of Association in line with, including but not limited to, (i) paragraph A.4.2 of the CG Code which requires that every Director, including those appointed for a specific term, should be subject to retirement by rotation at least once every three years and all Directors appointed to fill a casual vacancy should be subject to election by the Shareholders at the first general meeting after their appointment; and (ii) paragraph E.2.1 of the CG Code which provides, among other things, that if the aggregate proxies held by the chairman of a particular general meeting and/or the Directors account for 5% or more of the total voting rights at the meeting, and if on a show of hands in respect of any resolution, the meeting votes in the opposite manner to that instructed in those proxies, the chairman of the general meeting and/or any Director holding proxies as aforesaid shall demand a poll, unless it is apparent from the total proxies held by those persons that a vote taken on a poll will not reverse the vote taken on a show of hands.

LETTER FROM THE BOARD

Further amendments have been made to the GEM Listing Rules with effect from 1 March 2006 requiring, among other matters, that the Articles of Association shall provide that the Company in general meeting shall have power by ordinary resolution to remove any director before the expiration of his period of office.

The proposed amendments to the Articles of Association are stated in the proposed special resolution number 5 in the notice convening the AGM as set out on pages 18 to 26 of this circular.

4. AMENDMENT TO THE SHARE OPTION SCHEME

The Share Option Scheme was conditionally approved and adopted by the Company on 28 October 2002 and became unconditional upon the listing of the Shares on GEM on 15 November 2002. Under the Share Option Scheme, the Company may grant to any full-time employees, executives or officers, directors of the Group and any suppliers, independent contractors, consultants, agents and/or advisers who will contribute or have contributed to the Group (the “**Eligible Participant**”).

The Board proposes to make amendments to the Share Option Scheme by extending the definition of the Eligible Participant in the Share Option Scheme to allow any substantial shareholders (as defined under the GEM Listing Rules), part-time employees, non-executive directors (including independent non-executive directors) of the Group or any entity in which any member of the Group holds any equity interest.

The Board believes that the proposed amendments would enhance the ability of the Group in attracting and retaining high calibre part-time employees for the development of the Group’s business and providing comparable incentives to part-time employees as provided for the full-time employees, taking into account that there has been a general trend in the employment market, especially in the computer and information technology industry in which the Group operates, that more people are willing or prefer to take up part-time instead of full-time employment.

The proposed amendments are also in line with the common practice of other companies listed in Hong Kong and are permissible under the GEM Listing Rules. Pursuant to the Share Option Scheme and the GEM Listing Rules, such proposed amendments are subject to the approval of the Shareholders. An ordinary resolution will be proposed at the AGM to approve the proposed amendments to the Share Option Scheme and is set out as ordinary resolution number 6 in the notice of AGM on pages 18 to 26 of this circular.

Copies of the Share Option Scheme and the draft Share Option Scheme incorporating the proposed amendments are available for inspection at the principal place of business of the Company at Units 2115-2116, 21/F, China Merchants Tower, Shun Tak Centre, 168-200 Connaught Road Central, Hong Kong between 10:00 a.m. to 4:00 p.m. on any business day from the date of this circular up to and including the date of the AGM.

LETTER FROM THE BOARD

5. REFRESHMENT OF THE SCHEME MANDATE LIMIT

Under the GEM Listing Rules, the maximum number of Shares which may be allotted and issued upon the exercise of all options which initially shall not in aggregate exceed 10% of the Shares in issue as at the date of adoption of the Share Option Scheme and thereafter, if refreshed shall not exceed 10% of the Shares in issue as at the date of approval of the refreshed limit by the Shareholders.

The limit of the Share Option Scheme was refreshed by a resolution of the Shareholders at the annual general meeting of the Company held on 30 July 2004 (the “**Current Limit**”) pursuant to which the Directors were allowed to grant further options under the Share Option Scheme carrying the right to subscribe for a maximum of 40,000,000 Shares, being 10% of the Shares in issue as at the date of the aforesaid resolution.

As at the Latest Practicable Date, 16,000,000 options carrying rights to subscribe for a total of 16,000,000 Shares were granted under the Current Limit and in accordance with the terms of the Share Option Scheme, representing about 40% of the Current Limit and about 2.6% of the Shares in issue as at the Latest Practicable Date. The Board proposes to further refresh the Scheme Mandate Limit in order to enable the Company to grant further options to eligible participants so as to provide opportunities and incentives to them to work towards enhancing the values of the Company and Shares for the benefit of the Company and the Shareholders as a whole.

As at the Latest Practicable Date, there were 625,686,761 Shares in issue. Pursuant to the terms of the Share Option Scheme and in compliance with the GEM Listing Rules, the maximum number of Shares which may be issued upon the exercise of all the options to be granted under the Share Option Scheme under the Scheme Mandate Limit as refreshed should be 62,568,676 Shares, being 10% of the Shares in issue and assuming no further issue or repurchase of Shares. Options previously granted under the Share Option Scheme, including without limitation those outstanding, cancelled, lapsed or exercised in accordance with the Share Option Scheme will not be counted for the purpose of calculating the Scheme Mandate Limit as refreshed.

Pursuant to the GEM Listing Rules, the Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme at any time should not exceed 30% of the Shares in issue from time to time. No options shall be granted under any scheme of the Company or any of its subsidiaries if this will result in the 30% limit being exceeded.

As at Latest Practicable Date, options to subscribe for a total of 28,000,000 Shares were still outstanding under the Share Option Scheme which represents approximately 4.5% of the issued ordinary shares of the Company.

The proposed refreshment of the Scheme Mandate Limit is conditional upon:

- (1) the passing of an ordinary resolution by the Shareholders to approve the proposed refreshment; and

LETTER FROM THE BOARD

- (2) the GEM Listing Committee granting the listing of, and permission to deal in the Shares to be issued pursuant to the exercise of the options granted under the refreshed Scheme Mandate Limit.

Application will be made to the GEM Listing Committee for the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of options granted under the refreshed Scheme Mandate Limit.

An ordinary resolution will be proposed at the AGM to approve the proposed amendments to the Scheme Mandate Limit and is set out as ordinary resolution number 7 in the notice of AGM on pages 18 to 26 of this circular.

6. ANNUAL GENERAL MEETING

A notice convening the AGM to be held at the Meeting Room, Units 2115-2116, 21/F, China Merchants Tower, Shun Tak Centre, 168-200 Connaught Road Central, Hong Kong on Friday, 28 July 2006 at 4:30 p.m. is set out on pages 18 to 26 of this circular.

PROCEDURES BY WHICH SHAREHOLDERS MAY DEMAND A POLL AT THE AGM

Pursuant to Article 76 of the Articles of Association, a resolution put to vote of a meeting shall be decided on a show of hands, unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is duly demand or otherwise required under the GEM Listing Rules. A poll may be demanded by:

- (i) the chairman of the meeting; or
- (ii) at least five Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and entitled to vote; or
- (iii) any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and representing in the aggregate not less than one-tenth of the total voting rights of all Shareholders having the right to attend and vote at the meeting; or
- (iv) any Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and holding Shares conferring a right to attend and vote at the meeting on which there have been paid up sums in the aggregate equal to not less than one-tenth of the total sum paid up on all Shares conferring that right.

LETTER FROM THE BOARD

PROXY ARRANGEMENT

A form of proxy for use at the AGM is enclosed with this circular. To be valid, the form of proxy must be completed in accordance with the instructions printed thereon and returned, together with the power of attorney or other authority (if any) under which it is signed (or a copy which has duly been certified) to the Company's Hong Kong branch share registrar and transfer office, Computershare Hong Kong Investor Services Limited, at Rooms 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Hong Kong, as soon as possible but in any event not less than 48 hours before the time appointed for the holding of the AGM or any adjourned meeting (as the case may be). The completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM if you so wish.

RECOMMENDATION

The Directors consider that the proposed resolutions set out in the notice of AGM are all in the best interests of the Company and the Shareholders as a whole and therefore recommend you to vote in favour of all of these resolutions to be proposed at the AGM.

Yours faithfully,
For and on behalf of the Board
Chinainfo Holdings Limited
He Chenguang
Chairman

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the number of ordinary shares of HK\$0.01 each in the Shares in issue was 625,686,761 Shares.

Subject to the passing of resolution no. 4B as set out in the notice of AGM set out in this circular (the “**Resolution**”) approving the Repurchase Mandate and on the basis that no Shares will be issued or repurchased after the Latest Practicable Date and up to the date of passing the Resolution, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 62,568,676 Shares (representing 10% of the issued share capital of the Company) during the period from the date of passing the resolution no. 4B as set out in the notice of AGM up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and/or earnings per Share.

3. FUNDING OF REPURCHASES

Repurchases pursuant to the Repurchase Mandate would be financed entirely from the Company’s available cash flow or working capital facilities. Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with its memorandum of association and articles of association and the laws of the Cayman Islands. Shares may only be repurchased out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purposes of repurchase. The premium, if any, payable on repurchases must have been provided for out of the profits of the Company or out of the Company’s share premium account before or at the time the Shares are repurchased. The Company may not purchase Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the Company's audited financial statements contained in the Annual Report for the year ended 31 March 2006) in the event that the Repurchase Mandate were to be exercised in full during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge and belief, have made all reasonable enquiries, any of their respective associates (as defined in the GEM Listing Rules), have any present intention, if the Repurchase Mandate were to be exercised, to sell any Shares to the Company or its subsidiaries.

No connected persons (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company, or has undertaken not to sell any Shares to the Company, in the event that the Repurchase Mandate is exercised.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

7. SHARE PRICES

The highest and lowest prices at which the Shares were traded on GEM during each of the previous twelve months before the Latest Practicable Date were as follows:

	Price per Share	
	Highest HK\$	Lowest HK\$
2005		
June	0.380	0.205
July	0.380	0.315
August	0.375	0.310
September	0.350	0.300
October	0.300	0.240
November	0.300	0.215
December	0.290	0.237
2006		
January	0.265	0.240
February	0.620	0.300
March	1.000	0.570
April	1.730	0.990
May	1.800	1.560
From 1 June 2006 to the Latest Practicable Date	1.620	1.510

8. CONSEQUENCES UNDER THE TAKEOVERS CODE

If the Repurchase Mandate were exercised in full, the shareholding percentage of the substantial shareholders (as defined under the GEM Listing Rules) of the Company (based on the number of Shares they held as at the Latest Practicable Date) before and after such repurchase would be as follows:

Substantial Shareholders	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is fully exercised
Mr. Fu Shing Ki	97,001,144	15.50%	17.23%
China Communication Investment Ltd. (Note 1)	85,542,000	13.67%	15.19%
Ms. Chan Tan Lui, Danielle (Note 2)	75,219,195	12.02%	13.36%
Superhero Limited (Note 2)	74,979,195	11.98%	13.32%
Ms. Chan Wong Kam Fung, Cecilia	71,265,798	11.39%	12.66%

Note:

1. China Communication Investment Ltd. is a wholly-owned subsidiary of China Communication Co. Ltd..
2. Superhero Limited is a company wholly-owned by Ms. Chan Tan Lui, Danielle. By virtue of the Securities and Futures Ordinance, Chapter 571 of the Laws of Hong Kong, Ms. Chan Tan Lui, Danielle is deemed to have interest of 74,979,195 Shares held by Superhero Limited in addition to 240,000 Shares held by herself.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeover Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, Mr. Fu Shing Ki, who is the largest Shareholder, is interested in approximately 15.50% of the existing issued share capital of the Company. In the event the Directors exercise the Repurchase Mandate in full, the interest of Mr. Fu Shing Ki in the issued ordinary share capital of the Company would be increased to approximately 17.23%. China Communication Investment Ltd. is interested in approximately 13.67% of the existing issued share capital of the Company. In the event the Directors exercise the Repurchase Mandate in full, the interest of China Communication Investment Ltd. in the issued ordinary share capital of the Company would be increased to approximately 15.19%. Ms. Chan Tan Lui, Danielle is interested in approximately 12.02% of the existing issued share capital of the Company. In the event the Directors exercise the Repurchase Mandate in full, the interest of Ms. Chan Tan Lui, Danielle in the issued ordinary share capital of the Company would be increased to approximately 13.36%. Superhero Limited is interested in approximately 11.98% of the existing issued share capital of the Company. In the event the Directors exercise the Repurchase Mandate in full, the interest of Superhero Limited in the issued ordinary share capital of the Company would be increased to approximately 13.32%. Ms. Chan Wong Kam Fung, Cecilia is interested in approximately 11.39% of the existing issued share capital of the Company. In the event the Directors exercise the Repurchase Mandate in full, the interest of Ms. Chan Wong Kam Fung, Cecilia in the issued ordinary share capital of the Company would be increased to approximately 12.66%. To the best of the knowledge and belief of the Directors, such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

Save for the aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases under the Repurchase Mandate. The Company will not repurchase Shares to the extent which would result in the percentage of the Shares held by the public Shareholders being reduced to less than 25% of the issued share capital of the Company.

9. SHARE PURCHASE MADE BY THE COMPANY

No purchase of Shares has been made by the Company (whether on GEM or otherwise) in the six months immediately preceding the Latest Practicable Date.

The following are the particulars of the Directors (as required by the GEM Listing Rules) proposed to be re-elected at the AGM:"

1. **Mr. He Chenguang**, aged 45, holds a professional qualification of business administration and has extensive experience in management of major enterprises, in particular, management, operation and strategic development of telecommunication industry in the PRC. Mr. He will be responsible for formulating the group's strategy of overall business development. Mr. He has entered into a service contract for three years with the Company. His employment under the service contract shall be continuous until 27 April 2009 subject to termination by either party to the contract serving written notice to the other to terminate such employment to take effect three months from the date of service of such notice. The amount of director's emoluments specified in his service contract with the Company is HK\$960,000 per year subject to annual review and a double pay which equals to one-twelfth of annual remuneration, as may from time to time to be determined by the Board with reference to the Company's performance.
